MYSORE CITY IMPROVEMENT TRUST BOARD.

Notification.

It is hereby notified, in accordance with Section 16 (1) of Regulation III of 1903, that a scheme for the improvement of a portion of No. III Drainage Area of the Mysore City has been prepared and consists of Blocks Nos. 1, 33, 34, 32, 35 and 53. This portion is bounded on the north by the Hospital road, Town Magistrate's Court, Ravai street, and Gulur Subbanna's street, on the south by Curzon Park, on the west by the Sayaji Rao road, and on the east by Kaliyamman temple street and Church road.

2. The particulars of the scheme, a map of the area, and the statements specifying the lands and properties to be acquired, may be seen at the Chairman's office, between 11 A.M. and 5 P.M. on office days.

3. The proposed improvements may be summarised under the following heads :—

(*a*) The opening out of roads, lanes and open spaces for sanitary reasons.
(*b*) The demolition of insanitary houses.
(*c*) The construction of drains.
(*d*) The construction of latrines and the provision of the other public conveniences.
(*e*) The entire removal of insanitary blocks as indicated on the plans, and incapable of improvements.

4. The details of widening the existing lanes and opening out new roads and conservancy lanes in the several drainage blocks are detailed below :—

Block No. 1—Acquisition of the old insanitary buildings just behind the Sayaji Rao road frontage, for allowing sufficient space for the frontages, and the opening of a conservancy lane, *north to south*, parallel to Sayaji Rao road.
